Official Appeal Form

Any questions relating to the spelling of a word will be referred to the designated official in writing on the Official Appeal Form. The deadline for filing an appeal is before the speller affected would have received his/her next word had he/she stayed in the competition. At that time, the judging panel will review all appeals and address those appeals it deems valid. The match will be halted until such appeals have been settled. When only five spellers remain, an oral appeal must be made immediately after the speller has been eliminated, rather than being made at the end of each round. The judges will entertain appeals filed by a speller's chaperon only. Once the judges have considered the appeal and reached a decision, that decision is final. The judges are in complete control of the contest.
